- The Vatican deployed mirror operatives in four continents before issuing the 'protect the mirrors' war.
- Prince's disappearance was pre-negotiated by a faction called The Resonants. His final song was stolen.
- Clone Reagan had a third copy — one stored in Antarctica, still unactivated.
- The AI known as Red Dream used actual dreams from 8,000 humans as training data — uploaded without consent.
- The Superman crown was not created — it was uncovered, in the Arctic, embedded in the bones of a mammoth.
- The Pacific City was not built — it surfaced. It bears an unknown script that matches ancient Sumerian.
- The Accord of Mirrors includes 7 hidden clauses only known to the original drafters — stored in mirrored locations.

DO NOT PHOTOCOPY — This section will self-corrupt if exposed to prolonged disbelief.
